### TRAPPED WOMEN LEAP TO SAFETY FROM FIRE

Jump From Third Story to Awning During Blaze at 909 Fourth Street Northwest.

Cut off by smoke and flames from escape down the stairway, Elizabeth Williams and Geneva Scales, both colored, leaped this morning from a third story window to an awning when fire was discovered in the house at 908 Fourth street northwest.

Discovery of the fire was made by LeRoy McDermott, who, with his wife and five children, occupied the first and second floors of the frame dwelling. After arousing his family McDermott called to the women on the third floor. A passerby who hur-ried to the fire alarm box at Fourth and K streets, failed property to send in an alarm, and this caused a delay in firemen reaching the scene.

The house was gutted by the flames which caused approximately \$3,000 damage. The origin of the fire

Decayed and neglected teeth—cause 90% of human ailments. The world's foremost dental surgeons and scientists have repeatedly reminded the public of this fact. The inability, caused by imperfect teeth, to properly chew our food, and the millions of bacteria found in a decayed tooth, that multiply at an enormous rate, cause more deaths than all the other diseases known to science.

You cannot afford to neglect your teeth, it means health, good looks, and contentment.

The Reason for This Offer

An unusual opportunity for those who have neglected their teeth, and for those who have not had the ready money to go to a good dentist. For the next 10 days, all new patients will receive a 33 to 50 per cent discount on all dental work. This is done for the purpose to prove that you can get good satisfactory dentistry, guaranteed for a life time at a very low cost. I realize that in giving good service at a very reasonable price that you will send your friends.
